

**The married  
one wants  
divorce.**

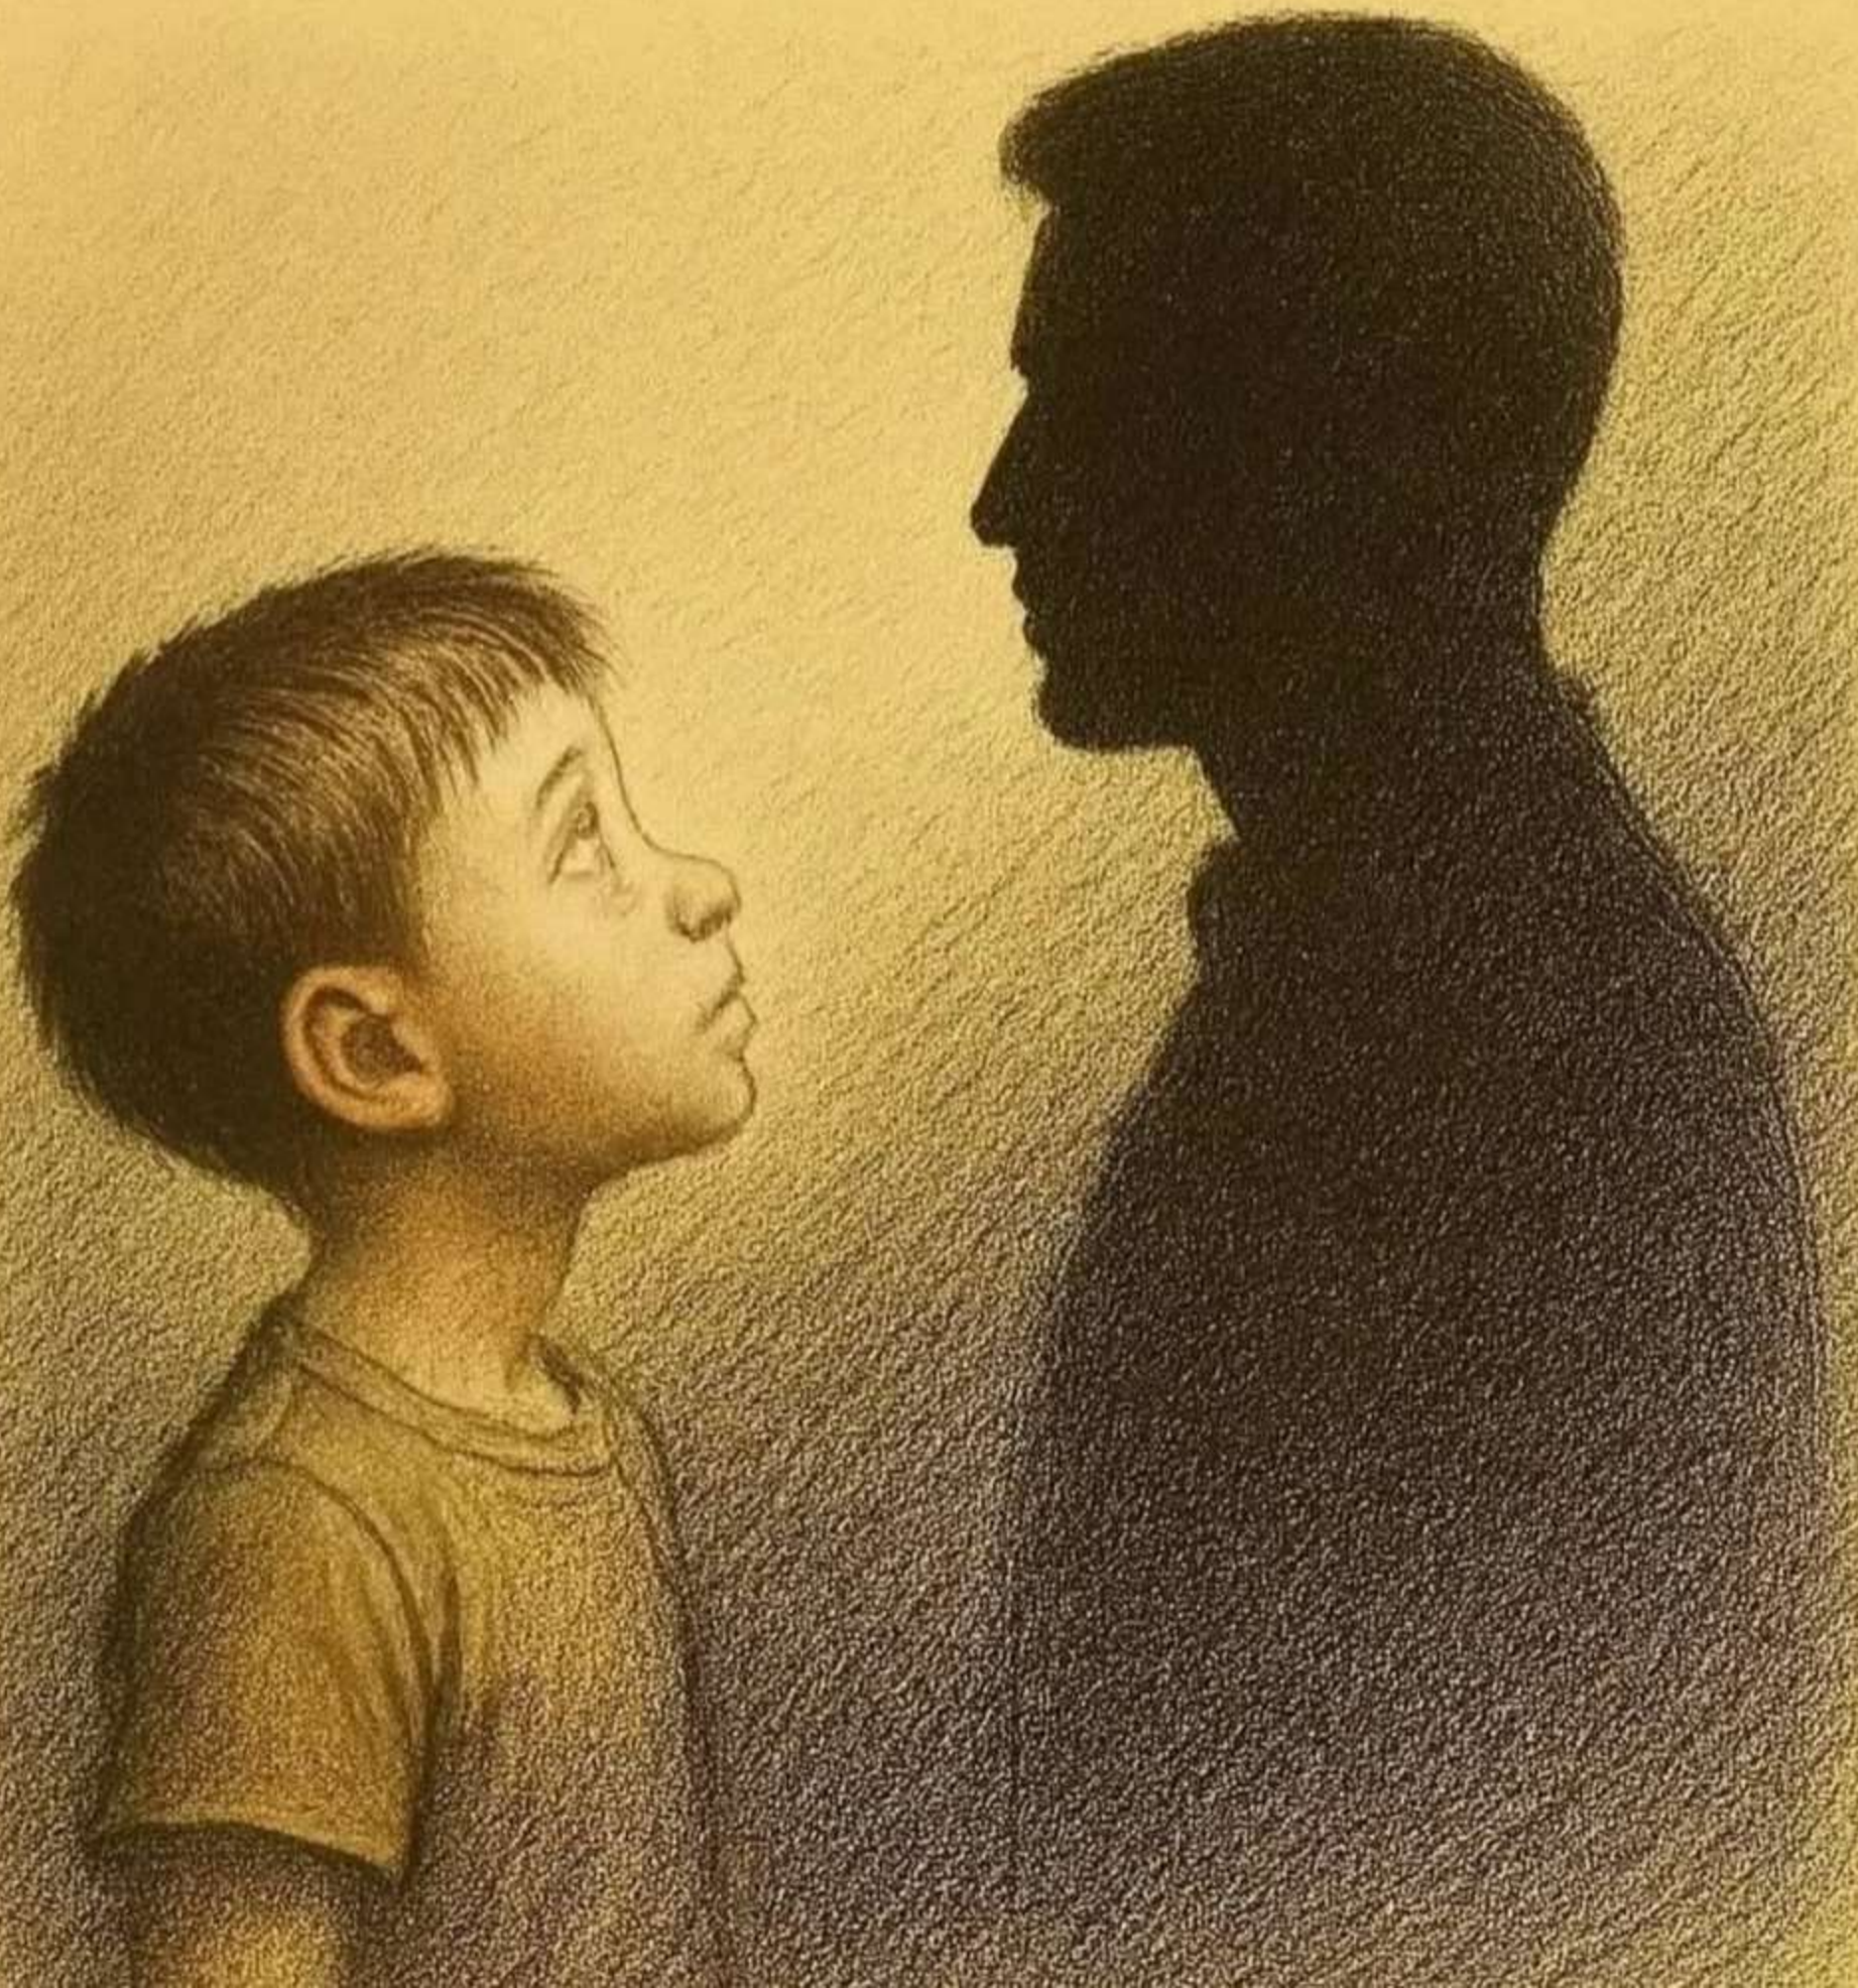

**While the unmarried  
wants love.**

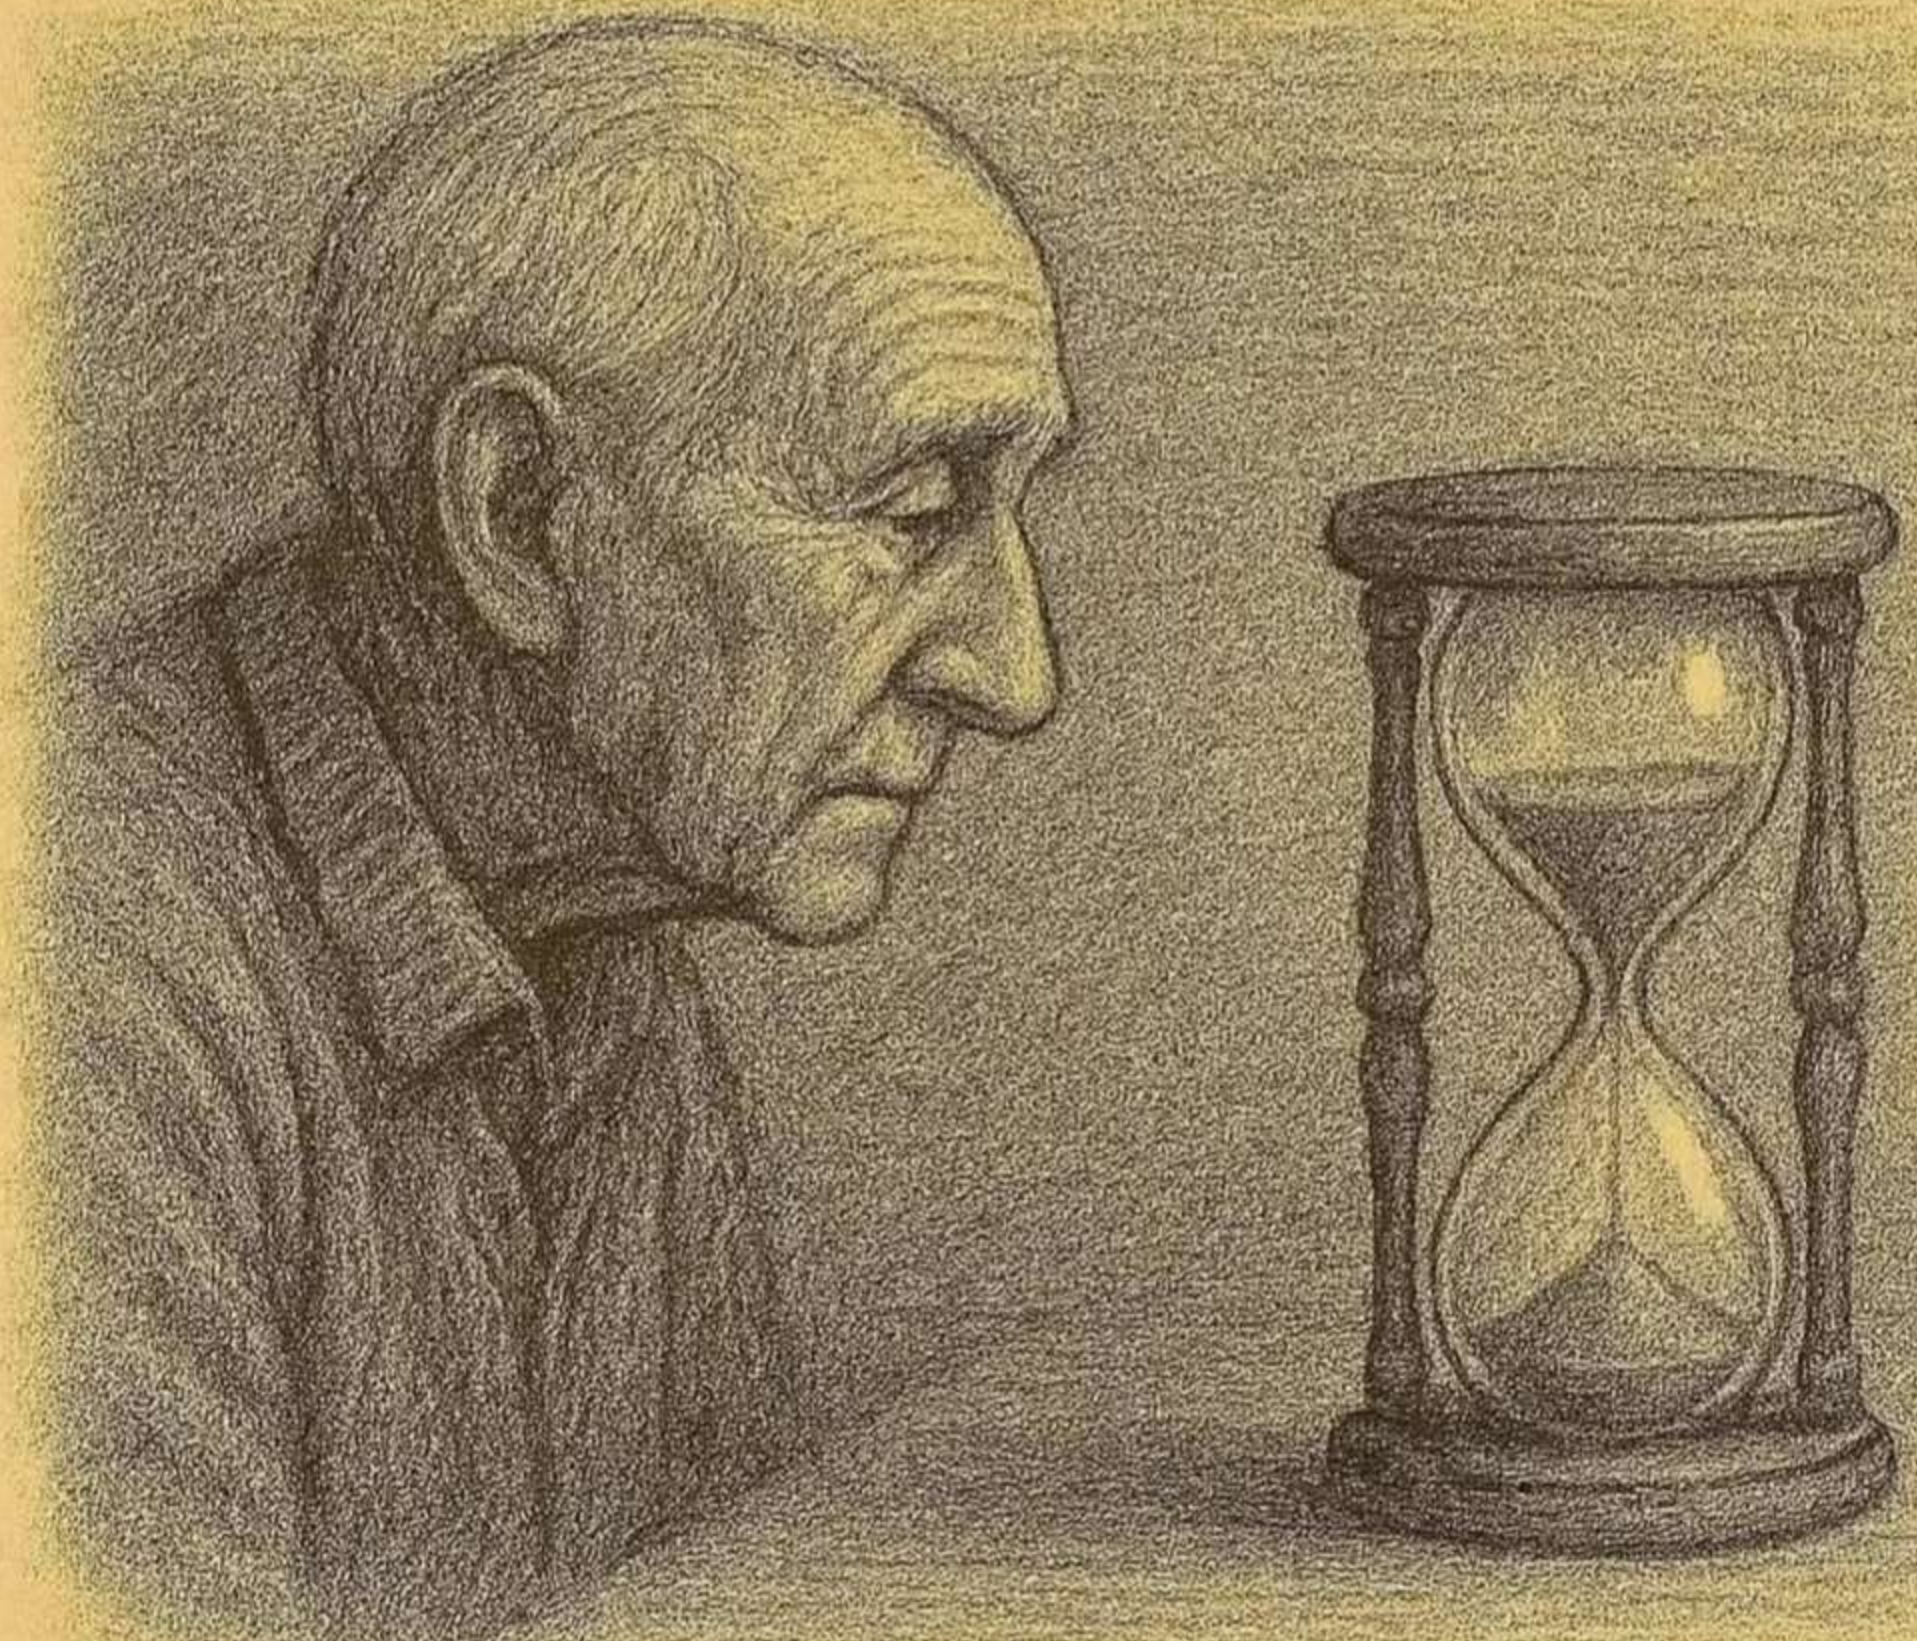

**The kids want to  
become adult.**

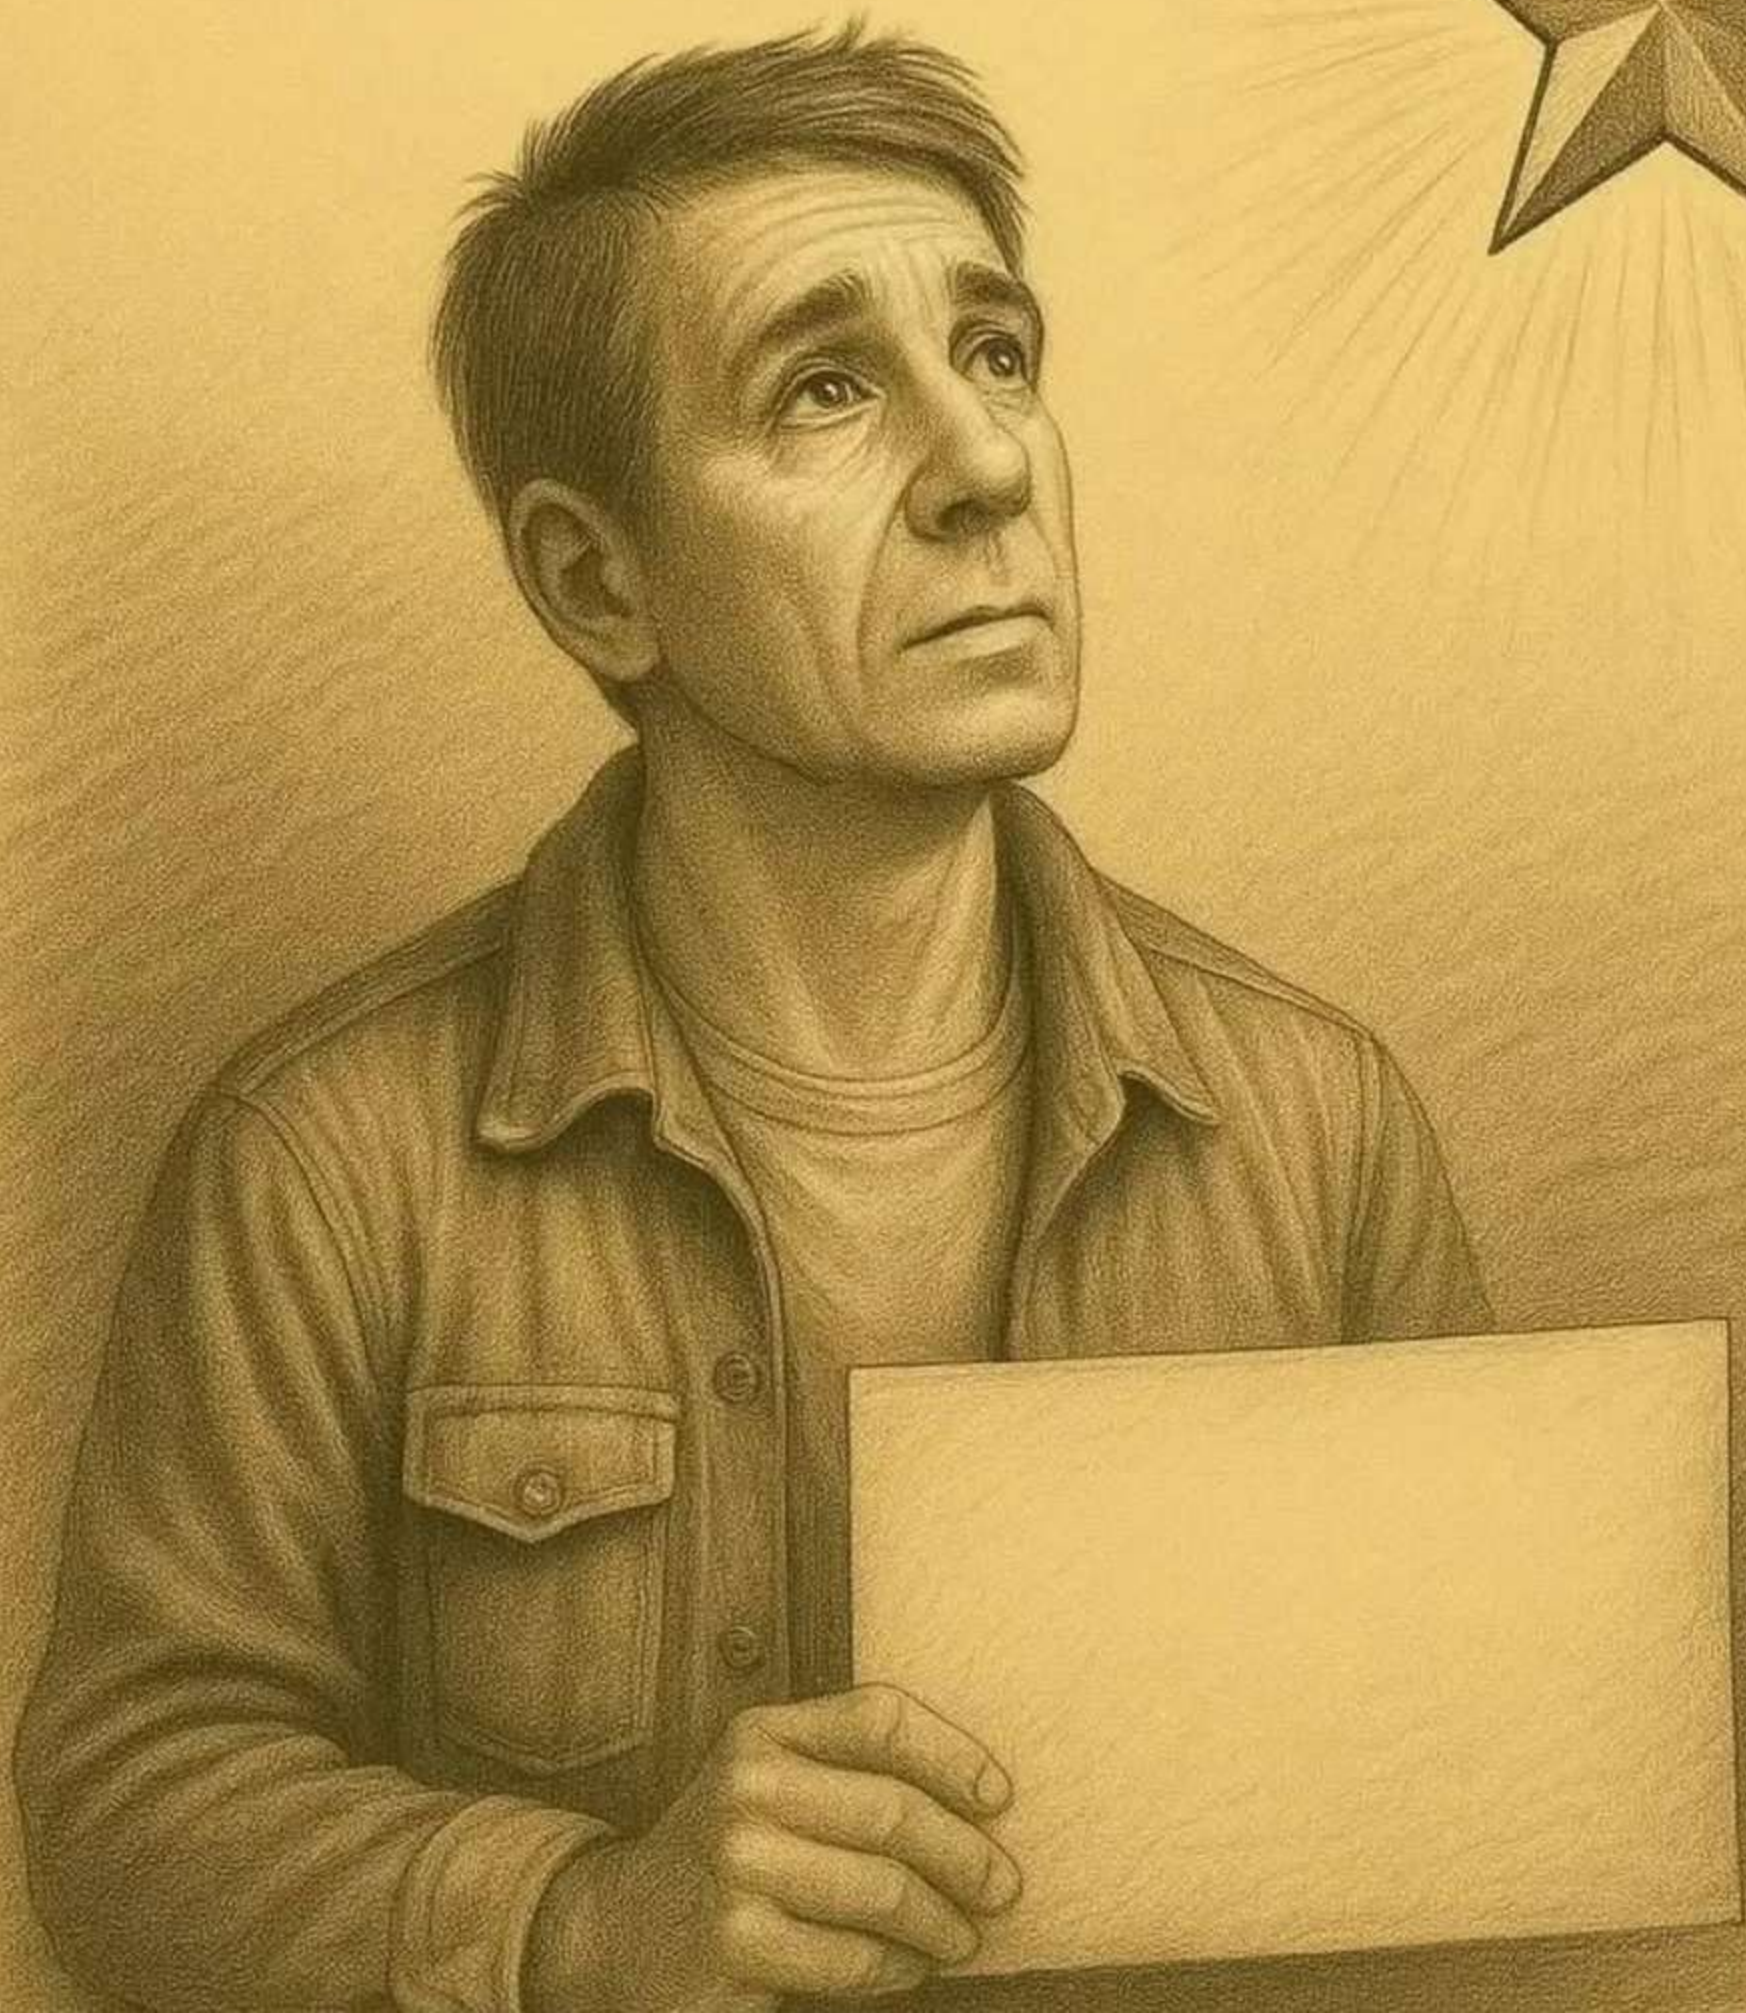

**While the old  
ones just want a  
little more time.**

**The unknown  
wants fame.**

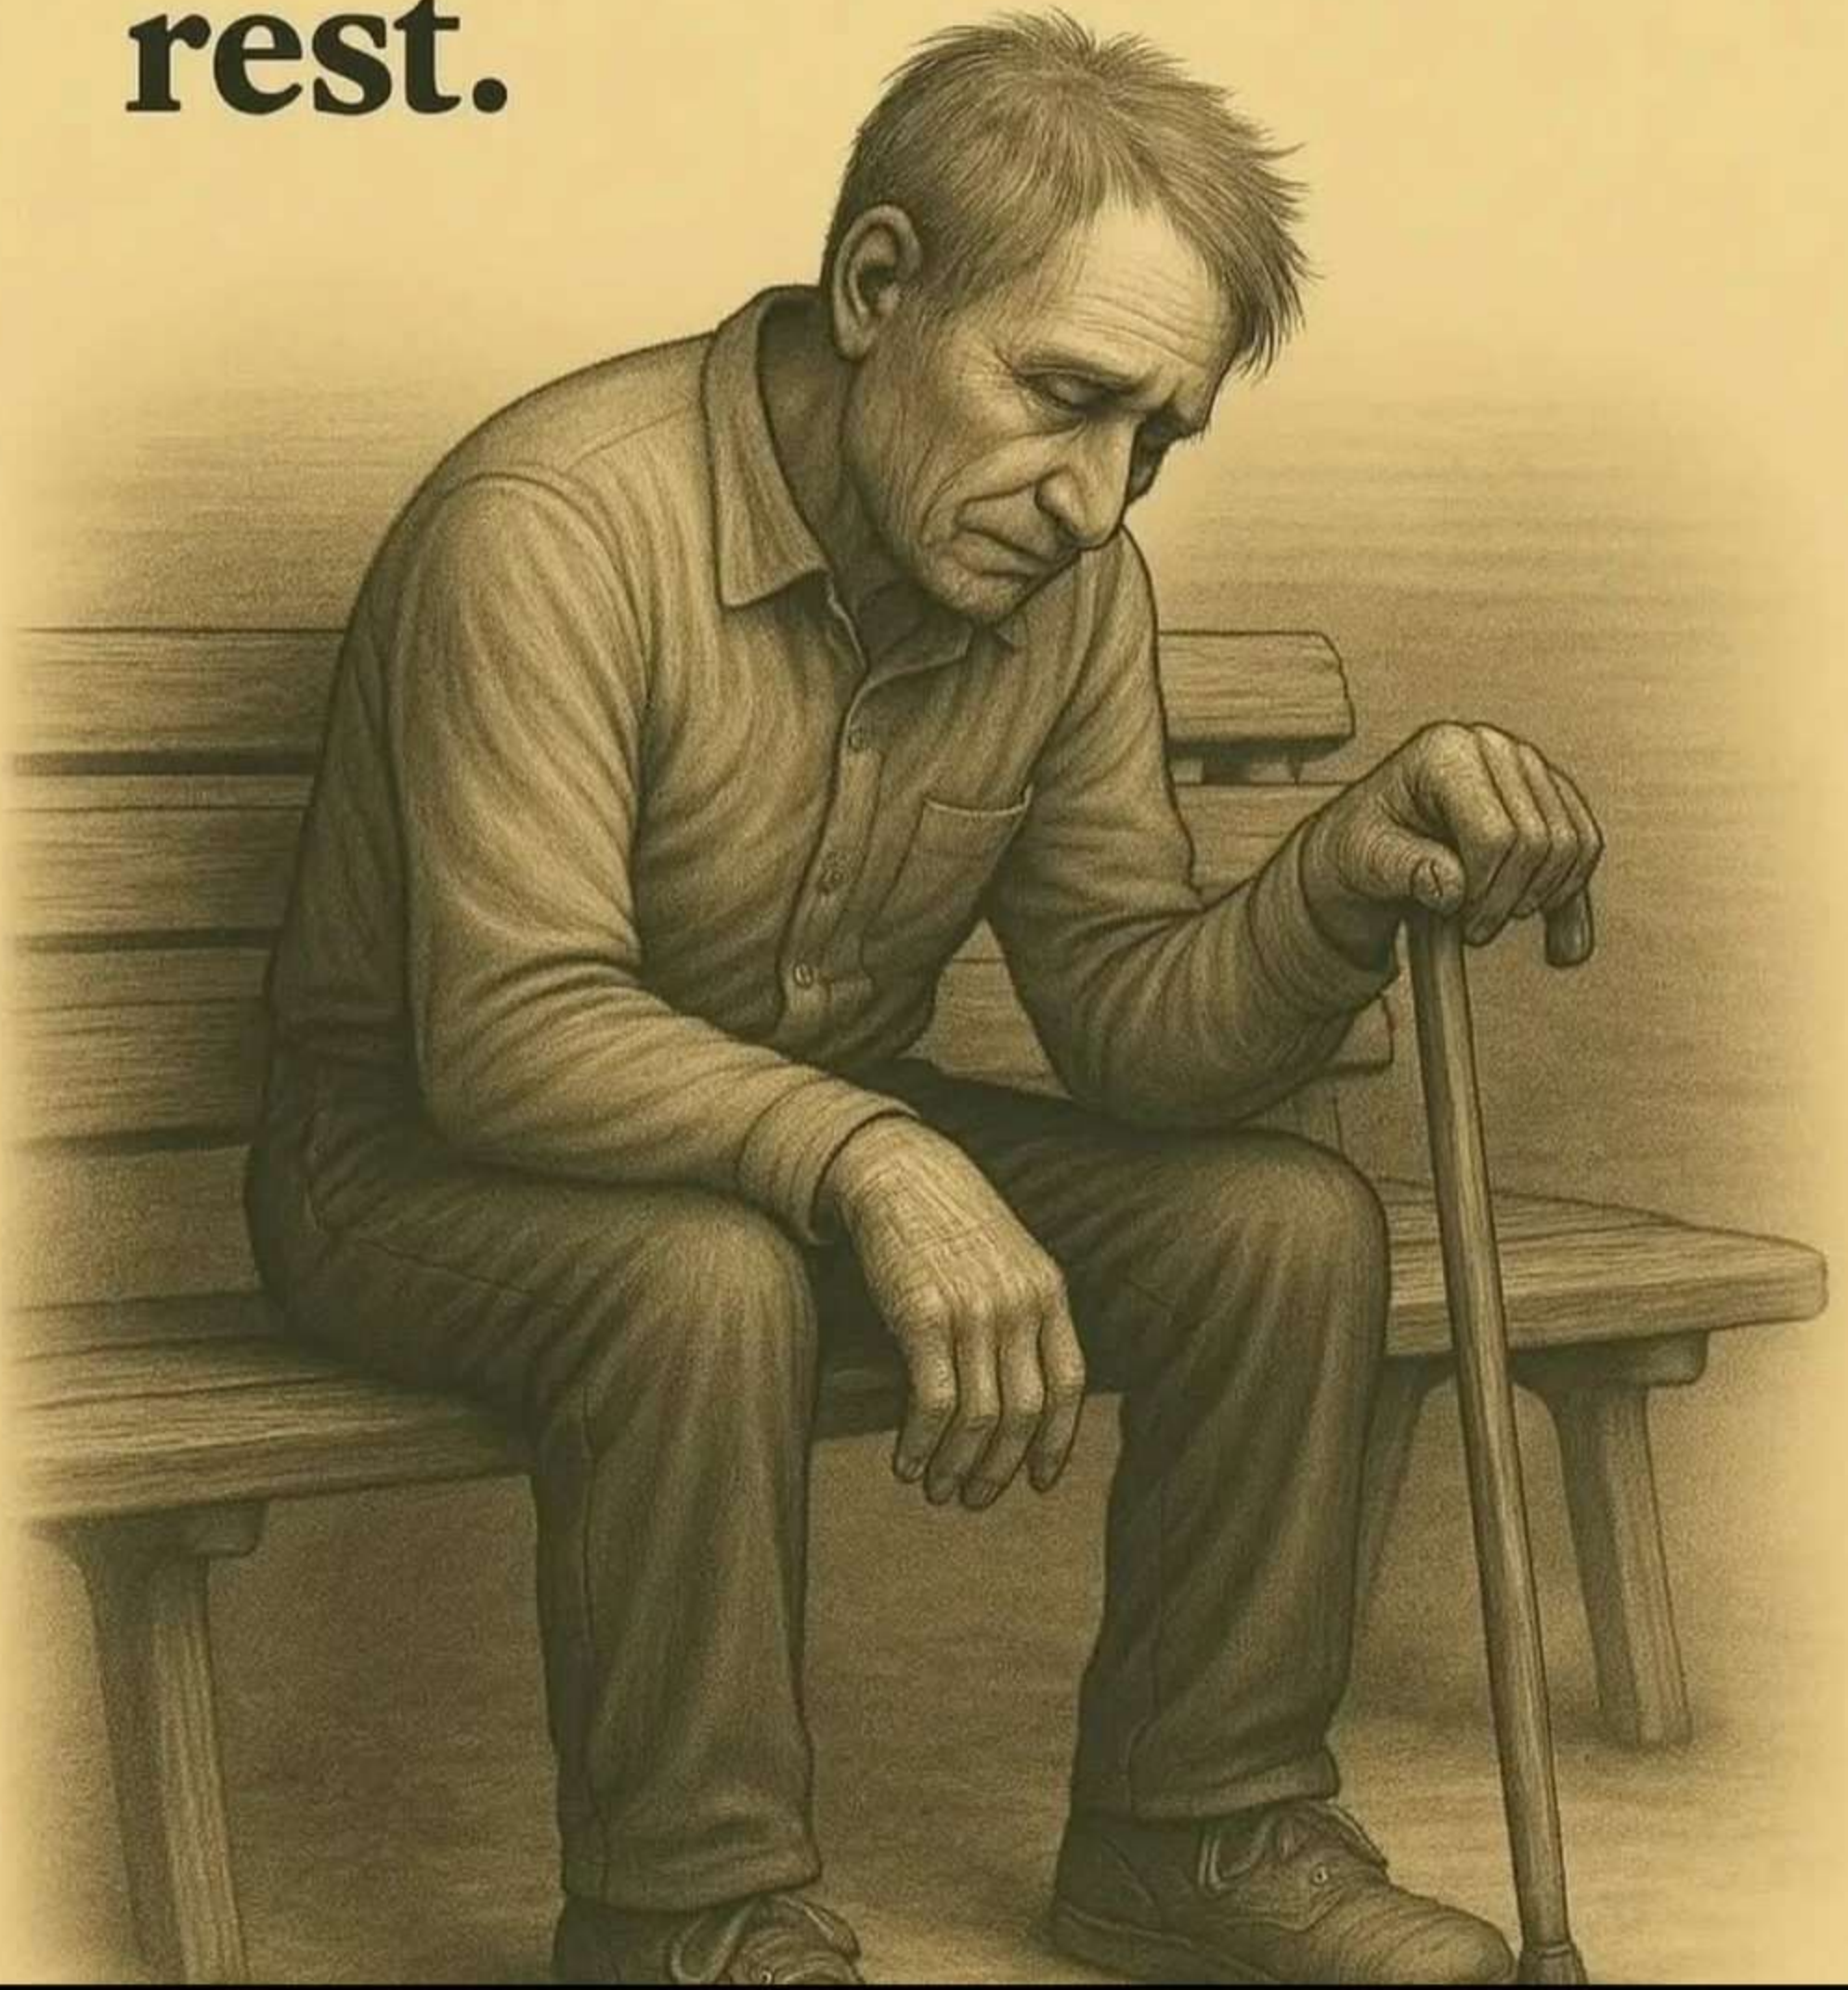

**While the famous  
want privacy.**

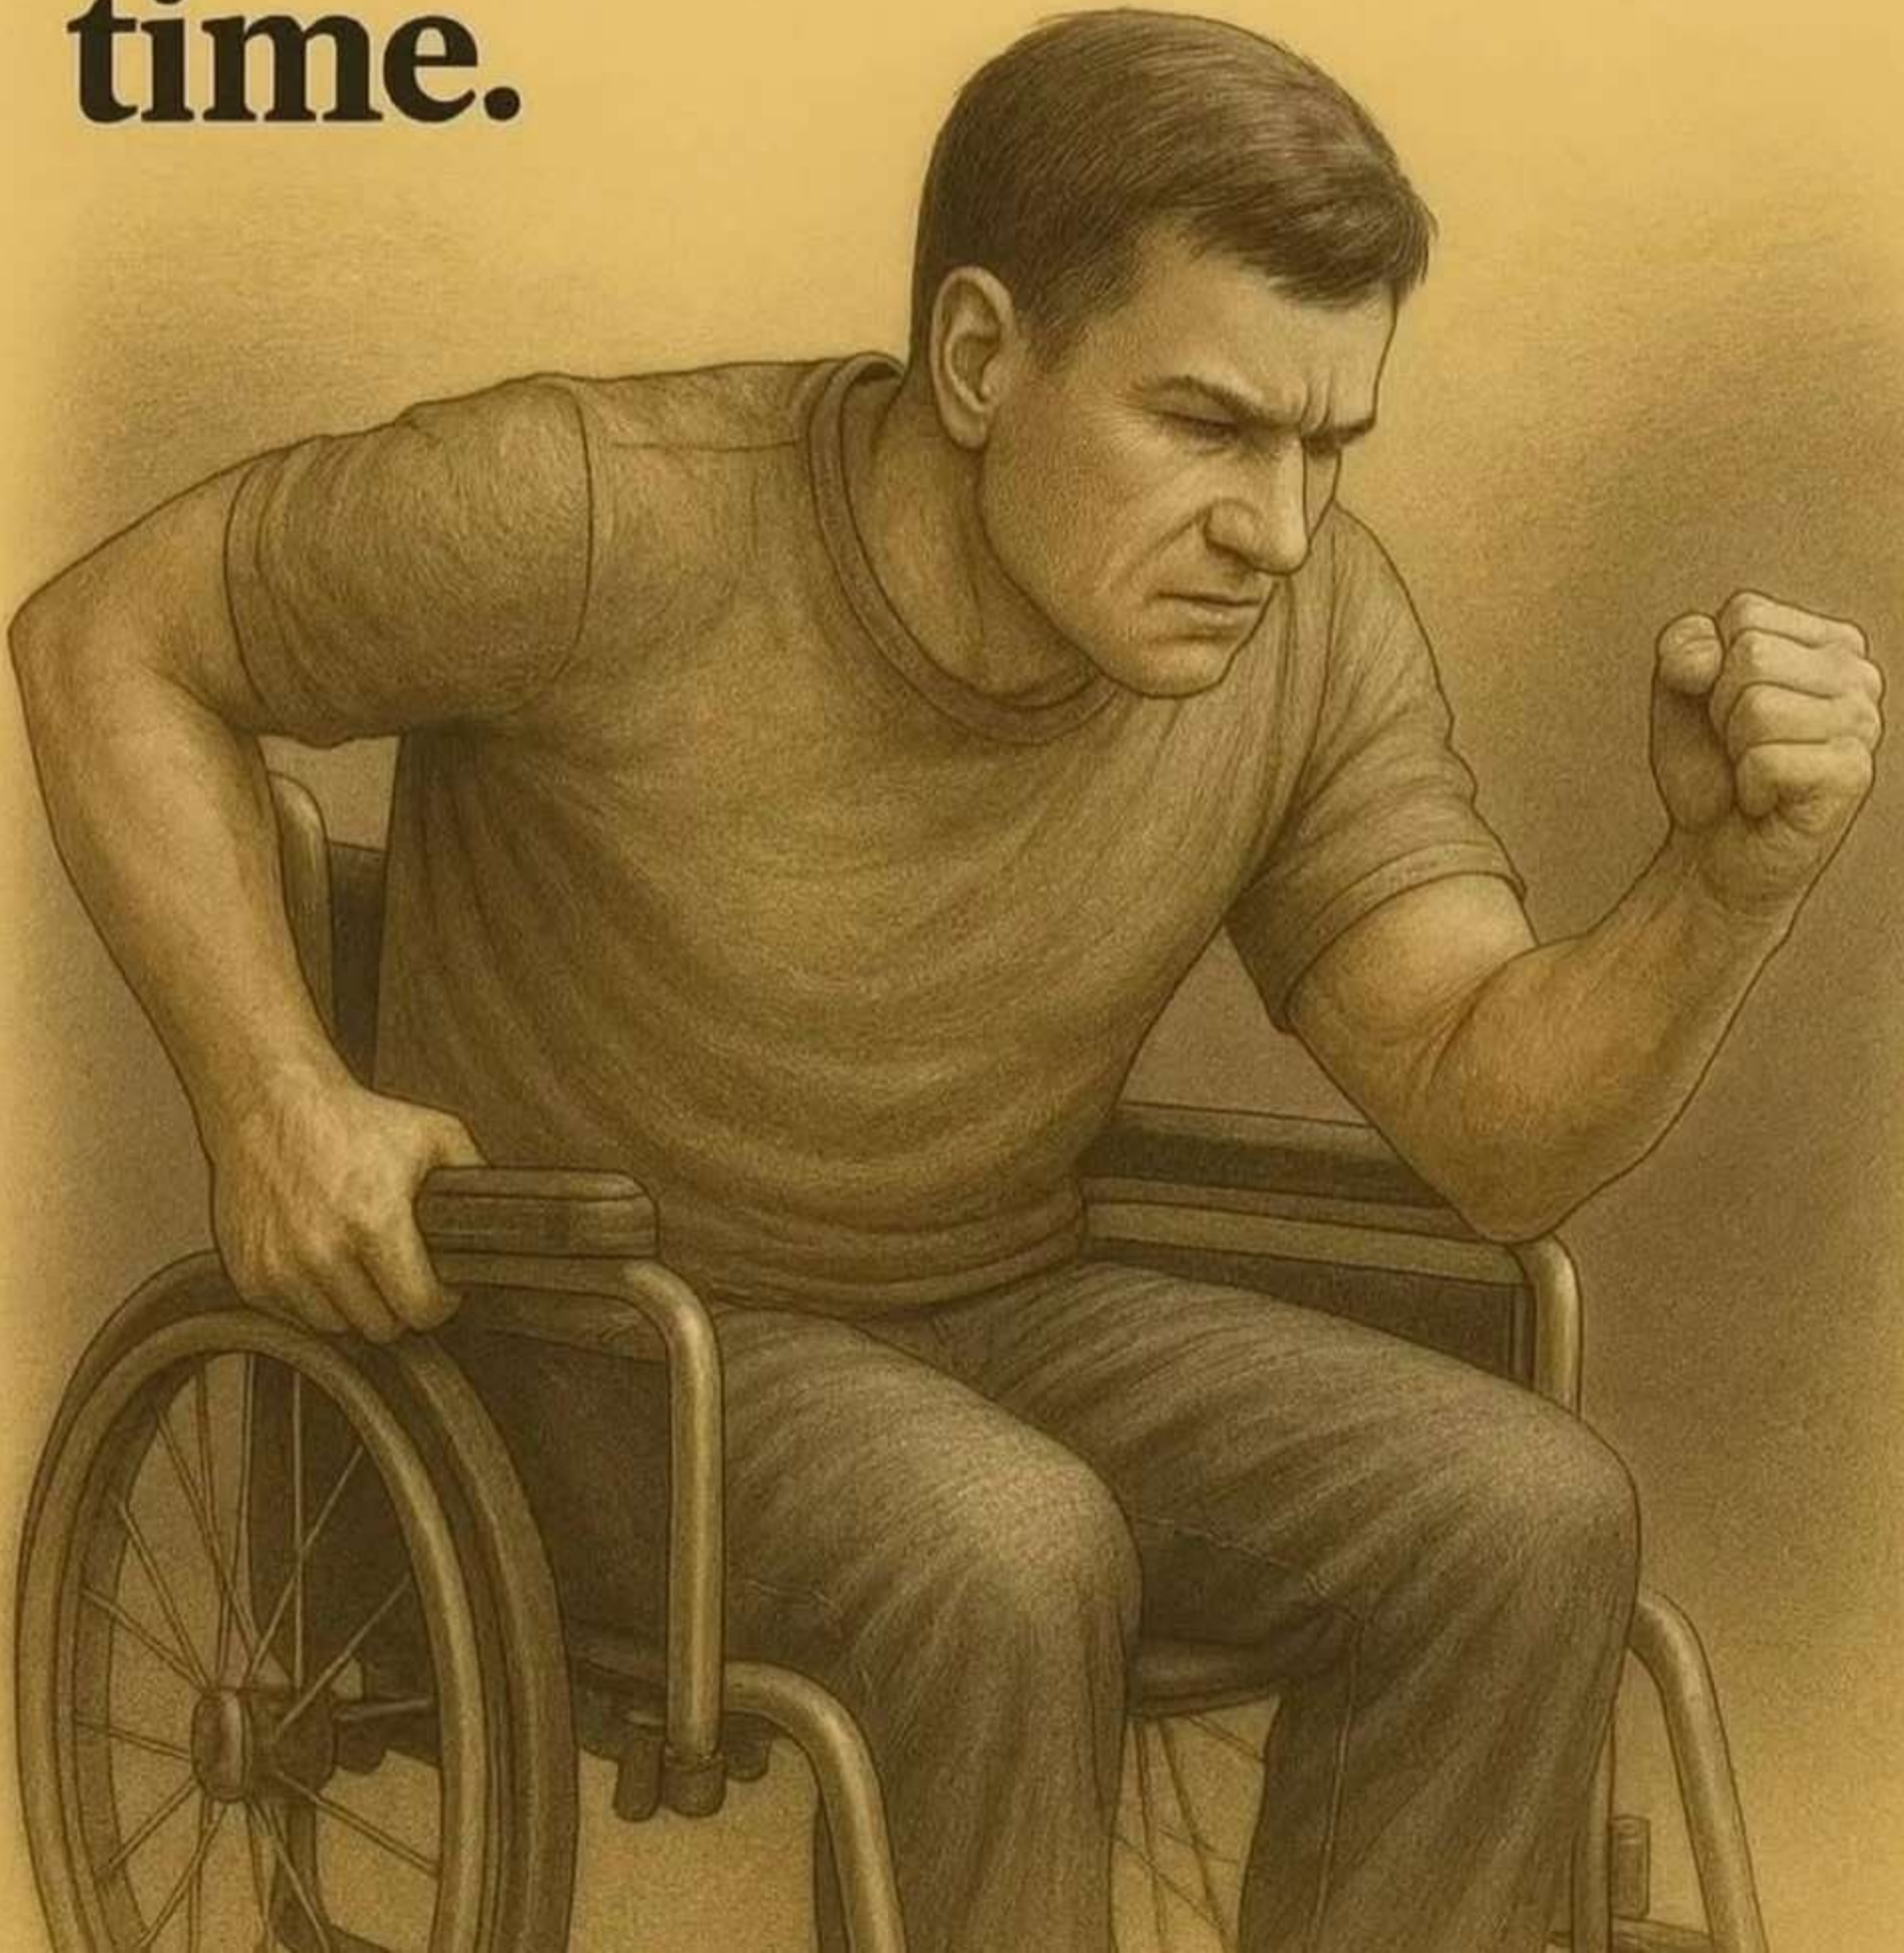

**The one who walks  
every day wants to  
rest.**

**While the disabled  
one wants to stand  
up just one more  
time.**

**Remember to  
never take  
anything  
for granted.**

**And to appreciate  
every single  
moment along  
the way of life.**
